**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Directors present their annual report together with the financial statements and auditors' Report of the charitable company for the year ended 31 August 2022. The annual report serves the purpose of both a Directors' Report, and a Directors' Report under company law.

The trust operates three academies for pupils aged 4 to 9, plus one school nursery for 3 and 4 year olds, in Redditch, Worcestershire. Its academies have a combined pupil capacity of 960 and had a roll of 843 in the school census May 2022.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Constitution**

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's Memorandum and Articles of Association are the primary governing documents of the academy trust.

The Directors of Endeavour Schools Trust are also the directors of the charitable company for the purposes of company law. The charitable company operates as Endeavour Schools Trust Ltd.

Details of the Directors who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details.

**Directors' Liability**

Each Trustee of the Charitable Company undertakes to contribute to the assets of the Company in the event of it being wound up while he/she is a Trustee, or within one year after he/she ceases to be a Trustee, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they cease to be a Trustee.

**Directors' Indemnities**

Directors benefit from indemnity insurance purchased at the academy trust's expense to cover the liability of the Directors which, by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the academy trust, provided that any such insurance shall not extend to any claim arising from any act or omission which the Directors knew to be a breach of trust or breach of duty or which was committed by the Directors in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Directors in their capacity as Directors of the academy trust. The limit of this indemnity is unlimited.

**Method of Recruitment and Appointment or Election of Directors**

The board of Directors of the academy Trust were appointed on or after September 2013 at the formation of the academy trust in accordance with the memorandum and the articles of association.

Directors are appointed for a four year period, except that this time limit does not apply to the Executive Head/CEO. Subject to remaining eligible to be a particular type of Director any Director can be reappointed or re-elected.

The Diocesan board of Education is empowered under article 50A to appoint up to 25% of Trustees.

When appointing new Directors, the Members will give consideration to the skills and experience mix of existing Directors, in order to ensure that the Trust Board has the necessary skills to contribute fully to the academy trust development.

**Policies and Procedures Adopted for the Induction and training of Directors**

The Academy trust has a Director induction policy available from the Clerk to the Directors. This is given to all new Governors, Directors as part of their welcome to the Trust.

The training and induction provided for new Directors will depend upon their existing experience but would always include a tour of the academy trust and a chance to meet staff and pupils. All Directors are provided with copies of documents that they will need to undertake their role as Directors. As there are normally only two or three new Directors a year, induction tends to be done informally and is tailored specifically to the individual based on their prior experience of governance. Where necessary, a Director Mentor is allocated to provide personalised support to newly appointed Directors. Advantage is taken of specific courses offered by the Local Authority and other bodies where appropriate.

**Organisational Structure**

The academy trust has a leadership structure which consists of the Directors and the Executive Head/CEO, who is also a Director and Accounting Officer. The Executive Leadership Team provide strategic and operational support across the schools whilst each individual academy has its own Senior Leadership Team and Key Stage/Subject Leaders. The aim of the leadership structure is to devolve responsibility and encourage involvement in decision making at all levels so that the Trust nurtures the talents of all staff and creates succession planning and sustainability through high quality CPD opportunities.

The Board establishes an overall framework for the governance of the academy trust and determines membership, terms of reference and procedures of LGB's (Local governing bodies,) any committees and other groups established. It monitors the activities of the Committees through the minutes of their meetings. The Board may from time to time establish Working Groups to perform specific tasks over a limited timescale.

There are two committees as follows:

- Finance, Audit and risk and Committee - this meets at least six times a year and is responsible for monitoring, evaluating and reviewing policy and performance in relation to financial management, compliance with reporting and regulatory requirements and reporting, receiving reports from the Responsible Officer/internal audit, reviewing the risk register and ensuring all statutory obligations relating to safeguarding, health and safety etc are met and supporting the drafting of the annual budget.
- Achievement, standards, and curriculum Committee - this meets once a term to monitor, evaluate and review Academy policy, practice, and performance in relation to curriculum planning, pupil outcomes, target setting and assessment.

The following decisions are reserved to the Board of Directors, which includes one of the Members: to consider any proposals for changes to the status or constitution of the academy trust and its committee structure, to appoint or remove the Chairperson and/or Vice Chair, to appoint the Headteachers and Clerk to the Directors, to approve the Strategic Development Plan and budget.

The Directors are also responsible for setting general policy, adopting an annual plan and budget, approving the statutory accounts, monitoring the academy trust by the use of budgets and other data, and making major decisions about the direction of the academy trust, capital expenditure, senior and central staff appointments and pay decisions for the executive Leadership team (CEO, CFO, HR and Headteachers.)

The LGB's are responsible for setting specific policies and duties devolved to them and monitoring standards of teaching and learning, feeding their information to the Directors via the Chairs. They also receive information regarding finance and buildings through the Directors.

The Executive Leadership Team (ELT) consists of the Executive Head/CEO, Headteacher from each school and the CFO and HR Advisor. The SLT for each school consists of the Headteacher, Deputy Headteacher, (and in the case of The Vaynor, an Assistant Headteacher) alongside Key Stage Leaders. The ELT controls

the academy trust at an executive level, implementing the policies laid down by the Directors with the Executive Head/CEO reporting back to Directors, and the Headteachers to the LGB's. The Executive Head/CEO, Headteachers and CFO are responsible for the authorisation of spending within agreed budgets; a summary of this is in the Finance Policy and scheme of delegation. Some spending control is devolved to Budget Holders which must be authorised in line with the agreed school systems and Finance Policy. The Executive Head/CEO and Headteachers are responsible for the appointment of staff; appointments for senior posts include a Governor and / or Director.

The academy trust comprises of three First Schools, The Vaynor First School, Crabbs Cross Academy and St George's CE First School and Nursery. Each has its own Governing Body responsible for day-to-day operations and oversight of the school's budget. The Trust board is moving increasingly to complete segregation between LGBs and the board, but currently includes a very small number of Directors drawn from the Local Governing Body of schools. This will cease as existing terms of office end.

The Executive Head/CEO is the Accounting Officer for the academy trust.

**Arrangements for Setting Pay and Remuneration of Key Management Personnel**

The Directors consider that the Board of Directors and the senior leadership team comprise the key management personnel of the academy trust in charge of directing and controlling, running and operating the academy trust on a day-to-day basis. All Directors give their time freely and no Director received remuneration in the year, for their role as Director (with the single exception of the Executive Head/CEO).

Details of Directors' expenses and related party transactions are disclosed in the notes to the accounts.

The pay of key management personnel is reviewed annually and normally increased in accordance with average earnings.

The Directors benchmark against pay levels in other academies of a similar size. The benchmark is the mid-point of the range paid for similar roles.

**Trade Union Facility Time**

There were no relevant union officials for the year/period ended 31 August 2022.

**Related Parties and other Connected Charities and Organisations**

Windmill Nursery has a building on The Trust's grounds and there is a lease in existence between it and the academy trust.

The academy trust has strong collaborative links with Walkwood Middle School, which is next to The Vaynor First School and which needs egress across the grounds to access its playing fields. The Vaynor is able to use the Middle Schools fields for sporting activities. These links extend to academic ones, along with Crabbs Cross Academy, St George's CE First and other local schools, such as Batchley First School and Arrow Valley. These partnerships aim to improve the academic standards of the pupils in our area.

The Vaynor First School was the Principal Sponsor of the Crabbs Cross Academy. Endeavour Schools Trust is the principal Sponsor of St George's CE First School.

Two of the schools currently have an informal partnership with a Parent Teacher Associations or Friends of the School.

There are no related parties which either control or significantly influence the decisions and operations of the academy trust.

Engagement with employees (including disabled persons)

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Trust engages with their employees through many means and methods, including:

- Consulting with employees on key matters, including engaging the relevant union officials
- Have staff representatives on all of the local governing bodies
- Regular updates to all staff Trustees, via CEO letters updates and letters
- Staff meetings
- Training days
- Staff surveys
- Staff forums

**OBJECTIVES AND ACTIVITIES**

**Objects and Aims**

The principal object and activity of the academy trust is to advance for the public benefit education, in particular by establishing, maintaining, carrying on, managing and developing schools within the academy trust, offering a broad range of curriculum for pupils of different abilities.

The principal object and activity of the Charitable Company in this period is the operation of The Vaynor First School, Crabbs Cross Academy and St George's CE First School, to provide free education and care for pupils of different abilities between the ages of 4 and 9.

**The Trust Vision**

Our Vision for Endeavour Schools Trust is that all children and staff will be "inspired to excel." We believe that this vision is attainable and accessible to all if we:

**Inspire:** our children so that they "go further and be better than before." We want them to have ambition and high aspirations for their future and we want to instil in them a self-belief and confidence that they can achieve whatever they set out to do. This means teaching them resilience, risk taking, integrity and determination as well as providing them with the knowledge, understanding and skills they need to follow their ambitions.

For our staff we want the same thing – for them to be inspired to be the best they can be professionally, thereby creating high levels of job satisfaction, confidence and competence.

In our work with others, we want them to be inspired by our contribution to their own organisations so that they too are empowered and motivated to "go further and be better than ever before."

**Excel:** We are "relentless in our pursuit of excellence" for all involved in Endeavour schools trust. Our core driver is to further build on our standards and ethos – not just in terms of learning, but in the broadest sense.

This means that the continuing development of excellent pedagogy, broad and inspiring curriculum provision and a range of real-life experiences for our children underpins everything we do.

For our staff, this pursuit of excellence is realised in the Trust investing in their potential. We believe in "growing our own" – that is giving staff the right opportunities for them to develop into "experts in the field," or, our leaders of tomorrow. It also means we "grow to go" – that is giving staff the best possible experience thus arming them to be ready to embrace new opportunities and roles outside of our Trust, where those opportunities are not available within it. This investment ensures all staff groups have the opportunity to excel.

*"Relentless pursuit of excellence" – "Magic Weavers" – Sir John Jones*

**Respect:** *"Alone we can do so little, together we can do so much" – Helen Keller*

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

Any positive relationship is predicated on mutual respect and in order to work and achieve together our Trust is deeply committed to the principle of respect for all people; actively valuing diversity and the richness that is brought to our Trust by every single member of our schools' communities. Underpinned by the simple principle encapsulated in the quote above, the Trust is also determined to ensure that in everything we say and do, children learn to respect all others, themselves and the world they live in.

This vision is reflected in our behaviours, relationships and in the day-to-day experience of all who enter our buildings; and crucially through our curriculum provision, our children.

Across the Trust we aim to:

- continue to raise the standard of educational attainment and achievement of all pupils;
- to provide a broad and balanced curriculum, including extracurricular activities;
- develop the pupils as more effective learners;
- to ensure that every child enjoys the same high-quality education in terms of resourcing, tuition and care;
- to develop the buildings and sites to support pupil's growth in every aspect of their time in school;
- to improve the effectiveness of the Academy by keeping the curriculum and organisational structures under continual review;
- to provide value for money for the funds expended;
- to develop leadership, curriculum and teaching standards;
- to develop greater coherence, clarity and effectiveness in school systems;
- to comply with all appropriate statutory and curriculum requirements;
- to maintain close links with local schools within the local area and across the local authority; and to actively seek out and foster new relationships with other external partners (such as other MATs.)
- to develop the Academy's capacity to manage change; and
- to conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

In Endeavour Schools Trust we aim to get the best for, and from, each child. We intend to enable each child to realise his or her full academic, creative and physical potential and to develop positive social and moral values. Our Trust is a cohesive community in which children, staff and parents are part of happy and caring environments.

**Objectives, Strategies and Activities**

Key priorities for the year are contained in each Individual academy Development Plan which is available from the Academy Office, largely speaking these plans took the form of a development plan during the last year however each had aspects of a "recovery" plan, a reflection of the continuing impact of the Corona Virus pandemic upon school organisation.

Key activities and targets were identified in the Academy Development Plans and were influenced by the significant challenges and opportunities arising from national changes in education policy and funding. The activities included the following:

- Review of numeracy, literacy and broader curriculum along with ICT capability;
- Raising levels of attainment and closing gaps, including those arising as a result of Covid;
- Review of staffing levels in the light of continuing budgetary pressures;
- Wellbeing of staff and children following the traumas of the pandemic;
- Continued development of systems for tracking and monitoring pupil attainment;
- Feasibility of structural / organisational changes to create greater sustainability e.g. PAN reductions.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Directors/Trustees set the strategic objectives for the trust in their Five-Year Trust Development Plan and progress against these is reviewed via CEO/Executive Head reports termly. During last year these were reviewed and revised for relaunch in September 2022. But for the period 2018 - 2022 these are to: –

- Increase the quality of provision in all our schools
- Develop a Trust wide approach to the teaching of “reading into writing” that will drive up standards in English especially in writing for more able and PP children.
- Continue to develop high quality CPD opportunities for all staff so that they can develop a clear ten-year career pathway (focus on new staff, NQT and post NQT programmes of support and Teaching Assistants) and so that provision continues to improve
- Developing New Partnerships (including with other MATs)
- Sponsoring and improving schools in need of help and support
- Ensuring a financially viable and sustainable MAT

These are further underpinned by a set of key performance indicators which are –

- All pupils are making at least expected progress
- An increasing number of children are making more than expected progress year on year
- 100% of teaching is at least good
- Attendance is at least broadly in line with national

**Public Benefit**

The Directors confirm that they have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit in exercising their powers or duties. They have referred to this guidance when reviewing the academy trust's aims and objectives and in planning its future activities.

The Trust aims to advance for the public benefit, education in Redditch and the surrounding area. In particular, but without prejudice to the generality of the foregoing by estimating, maintaining, managing and developing our schools, offering a broad curriculum with a strong emphasis on, but in no way limited to, the core subjects of reading, phonics, writing and maths.

As a MAT we take very seriously our obligation to work in partnership with others and where necessary offer support. We have worked in partnership with the local authority school improvement service in providing support to a number of other schools and are proud to have been able to support them in this way. Through our trust based support service, EST4S, we have worked with a range of local schools and other trusts

**STRATEGIC REPORT**

**Achievements and Performance**

**The Vaynor First School**

The Vaynor First School is in its eleventh full year of operation. The total number of pupils in the year ended 31 August 2022 was 442, this has increased from 438 in September 2021 due to in-year admissions during the year.

The school continues to be popular and well subscribed. The school's active PTA has continued to provide invaluable support to the school and the children.

During the year, the school has undertaken projects to replace the curtain walling, these have been supported through successful CIF bids

At Key Stage 1, children achieved good results which compare well to previous years, despite the challenges of disruption to learning for this cohort who have missed significant parts of their EY and Yr 1 school experience. This reflects the high quality of provision offered to children.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

To ensure that standards are continually assessed, the Academy operates a programme of lesson observations, which are undertaken by the Senior Leadership Team and the Trust Directors of learning.

**Crabbs Cross Academy**

Crabbs Cross Academy is in its tenth full year of operation. The total number of pupils in the year ended 31 August 2022 was 235, this is a decrease from 254 in September 2021. The school has reduced its pupil admission numbers from September 2021 from 60 to 45, in a response to a reduction in the known number of children living in the catchment area for the school.

The school numbers are positive given the reduction in PAN. The school's active PTA has continued to provide invaluable support to the school and the children.

During the year, the school secured a CIF bid for the replacement of perimeter fencing which has been completed.

The school is also in the process of refurbishing windows.

At Key Stage 1, children's results were lower than for previous years, sadly this is a reflection of the challenges of disruption to learning for this cohort who have missed significant parts of their EY and Yr 1 school experience. Data supports that children made progress from their different starting points and the school has in place a robust development plan to ensure that deficits in learning arising from school disruptions continue to be eradicated.

To ensure that standards are continually assessed, the school operates a programme of lesson observations, which are undertaken by the Senior Leadership Team and the Trust Directors of learning.

**St George's CE First School and Nursery**

St George's First School and Nursery is in its third full year of operation. The total number of pupils in the year ended 31 August 2022 was 196, this has decreased from 219 in September 2021. The school has reduced its pupil admission numbers from September 2022 from 45 to 30, in a response to a reduction in the known number of children living in the catchment area for the school.

The school continues to be popular with parents who are highly supportive and appreciative of everything the school offers.

During the year, the school secured a CIF bid for boiler replacement which has been completed

At Key Stage 1, children achieved well from their different starting points and results compare well to previous years, despite the challenges of disruption to learning for this cohort who have missed significant parts of their EY and Yr 1 school experience. The gap in all subjects has closed significantly from 2019. This reflects the significant improvements the school has made during its time in the Trust.

To ensure that standards are continually assessed, the school operates a programme of lesson observations, which are undertaken by the Senior Leadership Team and the Trust Directors of learning.

**Being part of Endeavour Schools Trust**

The Trust has in place a number of strategies to support all schools to improve. These include a robust "school improvement strategy" which is designed to support the progress of children and the increase in the proportions of children on track to achieve age related expectations by the end of the year.

Delegated support from the Trust school improvement team means that individual teachers are able to access personalised CPD in order to continue the development of high-quality provision. Staff are given opportunities to work together across settings, visit external settings and attend training as required. To ensure standards are continually assessed, the Trust has a monitoring, evaluating and review schedule

in place which includes opportunities for senior and middle leaders to undertake regular book looks, pupil conferencing, learning walks and pupil progress meetings.

External providers are encouraged to support the monitoring of the schools within Endeavour and these were used effectively last year to identify key actions to improve EYFS and to introduce "Little Wandle" as the phonics scheme of choice.

**Key Performance Indicators**

The main financial performance indicator is the level of reserves held at the Balance Sheet date. In particular, the management of spending against General Annual Grant (GAG) income requires special attention as the amount of GAG income available to carry forward is not restricted under the funding agreement

As funding is based on pupil numbers this is also a key performance indicator.

At The Vaynor, pupil numbers for the end of 2022 are 442. Maximum capacity is 450.

At Crabbs Cross, pupil number for the end of 2022 are 231. Maximum capacity is 285.

At St George's First School, pupil number for the end of 2022 are 196. Maximum capacity is 240.

Another key financial performance indicator is staffing costs as a percentage of GAG. For the period 1st September 2021 to 31st August 2022 total staff costs were £3,765,454, this represents 79.6% of total income.

The following KPI's were set at the start of the year 2021-22:

<b>KPI</b>	<b>Target</b>	<b>Actual</b>
1. Total staffing as % of GAG	82%	96%
2. Total staffing as % of total income	69%	79.6%
3. Total staffing as of expenditure	69%	78%
4. Total income per pupil	£5,840	£5,614
5. Total GAG per pupil	£4,972	£4,651
6. Teacher cost per pupil	£1,991	£2,747
7. Total expenditure per pupil	£5,797	£5,725

**Going Concern**

After making appropriate enquiries, the Board of Directors has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

**FINANCIAL REVIEW**

**Financial Review**

Most of the academy trust's income is obtained from the DfE via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the period 1st September 2021 to 31st August 2022 and the associated expenditure are shown as Restricted Funds in the Statement of Financial Activities.

The academy trust also receives grants for fixed assets from the DfE and are shown in the Statement of Financial Activities as restricted income in the Fixed Asset Fund. The Restricted Fixed Asset Fund balance is reduced by annual depreciation charges over the useful life of the assets concerned, as defined in the Trust's accounting policies.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

During the year ended 31 August 2022, the Trust received total income of £4,869,866 and incurred total expenditure of £4,963,178. The excess of expenditure over income for the year was £93,312.

At 31 August 2022 the net book value of fixed assets was £6,528,796 and movements in tangible fixed assets are shown in note 14 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the trust.

The academy trust has taken on the deficit in the Local Government Pension Scheme in respect of its non-teaching staff. The deficit is incorporated within the Statement of Financial Activity with details in note 26 to the financial statements.

The key financial policies reviewed during the year are the Finance Policy and the Scheme of Delegation, which lays out the framework for financial management, including financial responsibilities of the Board, Headteachers, managers, budget holders and other staff, as well as delegated authority for spending.

**Reserves Policy**

The Directors will review the reserve levels of the academy trust annually. This review will encompass the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Directors will take into consideration the future plans of the academy trust, the uncertainty over future income streams and other key risks identified during the risk review.

The Directors have determined that the appropriate level of reserves should be £1,350,000 the equivalent of three months expenditure across the academy trust. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance, staff pay awards higher than the agreed budget, rise in pupil numbers requiring a further member of staff, staffing absence and the need to increase Special Needs cover should further high needs children be received into the schools. The academy trust's current level of reserves is £2,021,042. This is the figure of both the restricted fund and unrestricted funds, excluding pension reserves.

The Directors have reviewed the plans of the academy trust and agreed that any free reserves will be used in the future to fund:

- 33% towards the cost of any successful CIF bid.
- Funding to support capital projects to improve the estate of the Trust – outside of budget
- Investment into ICT across the trust
- Support for development of schools under “new” leadership – a minimum of £50,000 for new heads
- to develop curriculum, offer CPD etc to progress their own school development plans
- Sufficient funds need to be available to support the academy trust's school improvement strategy
- and therefore funds are being held to support this drive. A minimum of £50,000 is available to individual schools via a bidding process where they can demonstrate the effective deployment of all other financial resources (such as tutoring fund)
- Sufficient funds need to be available to support the academy trust's plans for growth, therefore funds have been held for this purpose. This is a key priority for the academy trust moving forward. A minimum of £100,000 is in place to support the smooth transition of schools into the MAT

**Investment Policy**

Due to the nature and timing of receipt of funding, the Trust may at times hold cash balances surplus to its short term requirements. The Trustees have authorised the opening of additional short term bank investment accounts to take advantage of higher interest rates. No other form of investment is authorised

Principal Risks and Uncertainties

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Board of Directors has reviewed the principal risks and uncertainties to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks and uncertainties.

The principal risks and uncertainties facing the academy trust are as follows:

Financial - the academy trust has considerable reliance on continued Government funding through the ESFA. In the last year 98.7% of the Academy's incoming resources was ultimately Government funded and whilst this level is expected to continue, there is no assurance that Government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

Failures in governance and/or management - the risk in this area arises from potential failure to effectively manage finances, internal controls, compliance with regulations and legislation, statutory returns, etc. The Directors continue to review and ensure that appropriate measures are in place to mitigate these risks.

Reputational - the continuing success of the academy trust is dependent on continuing to attract applicants in sufficient numbers by maintaining the highest educational standards. To mitigate this risk Directors ensure that student success and achievement are closely monitored and reviewed and that the curriculum inspires pupils. Furthermore, use of advertising and a high profile in the press are amongst strategies being used to raise confidence in Crabbs Cross Academy and St George's First School as places here remain unfilled.

Safeguarding and child protection - the Directors continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health & safety and discipline.

Staffing - the success of the academy trust is reliant on the quality of its staff and so the Directors monitor and review policies and procedures to ensure continued development and training of staff as well as ensuring there is clear succession planning.

Fraud and mismanagement of funds - The academy trust has appointed an Internal Auditor to carry out checks on financial systems and records as required by the Academy Trust Handbook. All finance staff receive training to keep them up to date with financial practice requirements and develop their skills in this area.

The Academy Trust has continued to strengthen its risk management process throughout the year by improving the process and ensuring staff awareness. A risk register is maintained and reviewed and updated on a regular basis.

The Academy Trust has agreed a Risk Management Strategy outlined within the Risk Assessment Policy. These have been discussed by Directors and include the financial risks to the Academy trust. The register and plan are constantly reviewed in light of any new information and formally reviewed annually.

The Directors have assessed the principal risks to which the academy trust is exposed, in particular those relating to its finances, teaching, facilities and other operational areas. The Directors have implemented a number of systems to assess and minimise those risks, including internal controls described elsewhere. Where significant financial risk still remains they have ensured they have adequate insurance cover.

Whilst The Vaynor First School continues to maintain high pupil numbers, Crabbs Cross and St George's are under subscribed and this provides a challenge to the academy trust due to risks associated to revenue funding from unfilled places. On top of this, the uncertainty on the Government's overall education budget, changes in funding arrangements for special educational needs and increasing employment and premises costs mean that budgets will be increasingly tight in coming years.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Directors examine the financial health formally every half term, reviewing performance against budgets and overall expenditure by means of regular update reports at all FAR committee, Directors' and LGB meetings.

At the year end, the academy trust had no significant liabilities arising from trade creditors or debtors where there would be a significant effect on liquidity.

The Board of Directors recognises that the defined benefit scheme deficit (Local Government Pension Scheme), which is set out in note 26 to the financial statements, represents a significant potential liability. However, as the Directors consider that the academy trust is able to meet its known annual contribution commitments for the foreseeable future, the risk from this liability is minimised.

**FUNDRAISING**

The trust has a positive and active approach to fundraising and has supported many charitable organisations during the year including:

- Macmillan Cancer Support
- Great Ormond Street Hospital
- Save the Children
- Children in need
- Comic relief/Sports relief

The academy trust does not use external fundraisers except for the school's PTA or Friends associations. All fundraising undertaken during the year was monitored by the Directors.

**PLANS FOR FUTURE PERIODS**

The trust will continue to strive to provide outstanding education and improve the levels of performance of its pupils at all levels. The academy trust will continue to aim to attract high quality teachers and support staff in order to deliver its objectives.

The academies within the trust will continue to work with partner schools to improve the educational opportunities for students in the wider community, to ensure the best possible outcomes for all. This work is largely facilitated through the Trust school improvement team, EST4S.

The Five-year strategic plan for the Trust outlines plans for potential further growth of the Trust alongside developing high quality provision and therefore higher standards of achievement by pupils. A further target is based on developing high quality career training opportunities for all staff. This plan has been reviewed and revised during the academic year 2021 - 2022. The updated five-year plan was launched in September 2022.

**FUNDS HELD AS CUSTODIAN DIRECTORS ON BEHALF OF OTHERS**

The Endeavour Schools Trust's academies and its Directors do not act as the Custodian Directors of any other Charity.

**AUDITOR**

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charitable Company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

**GOVERNANCE STATEMENT**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**SCOPE OF RESPONSIBILITY**

As Trustees we acknowledge we have overall responsibility for ensuring that Endeavour Schools Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the chief executive, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Endeavour Schools Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

**GOVERNANCE**

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 7 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

MAT Board Director/Trustees	Meetings attended	Out of a possible
C Banks (Chair of Trustees)	8	8
J Hughes	6	8
N Wright	8	8
L Bromberg	7	8
C Taylor	6	8
O Kinbrum	6	8
L Wells	7	8
J Greenwood	7	8
P Taylor (resigned 7 April 2022)	6	6

The Board of Directors/Trustees have seen the following changes to the composition this year:

P Taylor (Trustee appointed by WDAT resigned 7 April 2022)

**Governance Review**

Governing Bodies and the Board of Directors/Trustee undertake ongoing self-review and take remedial actions to further strengthen accountability, particularly with a view to verification of actions reported through visits to the schools themselves. For the large majority of the year, the board was at full capacity but has recently lost a Diocesan representative and so we are awaiting a replacement from the Diocese.

Directors have continued to review and refine their systems for receiving reports from the Executive Head/CEO, streamlining these to make them more manageable and "fit for purpose." Minutes of meetings reflect the level of challenge provided by the board and the robust and swift actions taken to address any concerns raised. Self-evaluation remains an integral part of each committee and full governing body meeting. Evidence of changes made as a result of these evaluations is to be seen in the change in the constitution of the FAR committee to include a "Risk specialist" as an Associate member, thereby addressing an identified skills gap.

The board intends to undertake an external review of governance during the coming year as part of the readiness for future growth of the Trust.

**GOVERNANCE STATEMENT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

The Finance, Audit and Risk Committee is a sub-committee of the main board of Director/Trustees. Its purpose is to:

- provide assurance to the board over the suitability of, and compliance with, its financial systems and operational controls, and to ensure that risks are being adequately identified and managed.
- ensure rigour and scrutiny in budget management.
- Ensure adherence to the overriding principles as laid out in the Academies Financial Handbook.

Attendance at FAR sub-committee meetings in the year was as follows:

The Assessment Standards and Curriculum is a sub-committee of the main board of Director/Trustees. Its purpose is to achieve internal scrutiny which delivers objective and independent assurance for the Trust by monitoring:

- Achievement, standards, including assessment
- Curriculum and quality of provision
- School improvement including CPD
- Policy and Risk Management

**REVIEW OF VALUE FOR MONEY**

As Accounting Officer the Chief Executive has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

- Robust financial governance and budget management.
- Value for money purchasing.
- Reviewing controls and managing risk.
- Considering allocation/targeting/use of resources.
- Making comparisons with similar Academies using data provided by the ESFA and the Government.
- Challenging proposals and examining their effectiveness and efficiency.
- Deploying staff effectively.
- Reviewing quality of curriculum provision and quality of teaching.
- Reviewing quality of children's learning to enable children to achieve nationally expected progress.
- Outlining procedures for accepting best value quotes, noting that this is not necessarily the cheapest quote

**GOVERNANCE STATEMENT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

Examples of how the Trust have achieved value for money in the period are:

Schools within the trust have received large capital investment during the year. These projects were carried out following a full tendering process to achieve and ensure value for money.

The Vaynor First School and Crabbs Cross Academy underwent large projects to replace the inefficient windows and doors in the older section of the buildings. This project will ensure the sites are more energy efficient and save money on heating costs in the long term.

Crabbs Cross academy has improved the boundary fencing to enhance security and safeguard our pupils, staff and property.

St George's First School installed new boilers which will be more energy efficient and provide financial savings in the long term.

Shared leadership, curriculum training and robust school to school support systems have led to raised standards of teaching and learning, particularly at St George's First School.

**THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Endeavour Schools Trust for the period from 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

**CAPACITY TO HANDLE RISK**

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that have been in place for the period from 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

**THE RISK AND CONTROL FRAMEWORK**

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- Regular reviews by the Finance, Audit and Risk Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- Setting targets to measure financial and other performance
- Clearly defined purchasing (assets purchase or capital investment) guidelines
- Delegation of authority and segregation of duties
- Identification and management of risks

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint Duncan and Toplis as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular the checks carried out in the current period included:

- Testing of payroll systems,
- Testing of purchase systems,
- Testing of control account/bank account reconciliations,
- Review of the trust risk register,
- Testing of the trust's websites regarding legal compliance.

The Auditor reports to the Board of Directors/Trustees through the Finance, Audit and Risk Committee on the operation of the systems of control and on the discharge of the Board of Director/Trustees' financial responsibilities.

The Auditors have both undertaken their roles diligently and reported as expected to the appropriate bodies. There were minor issues found, all of which have been rectified.

**REVIEW OF EFFECTIVENESS**

As Accounting Officer the Chief Executive has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- The work of the internal auditors
- The work of the external auditors
- The financial and management and governance self-assessment process
- The work of the executive managers of the trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Audit and Risk Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

**STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE**

---

As accounting officer of Endeavour Schools Trust Ltd I have considered my responsibility to notify the Academy Trust Board of Directors and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2021.

I confirm that I and the Academy Trust Board of Directors are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academy Trust Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Directors and ESFA.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
ENDEAVOUR SCHOOLS TRUST LTD**

---

**OPINION**

We have audited the financial statements of Endeavour Schools Trust Ltd (the 'Academy Trust') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

**BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**CONCLUSIONS RELATING TO GOING CONCERN**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
ENDEAVOUR SCHOOLS TRUST LTD (CONTINUED)**

---

**OTHER INFORMATION**

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

**MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
ENDEAVOUR SCHOOLS TRUST LTD (CONTINUED)**

---

**AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the Academy sector, control environment and the Academy Trust's performance;
- results of our enquiries of management and the Trustee board, including the committees charged with governance over the Academy Trust's finance and control, about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the Academy Trust's documentation of their policies and procedures relating to: identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance; detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; the internal controls established to mitigate risks of fraud or noncompliance with laws and regulations;
- how the Academy Trust ensured it met its obligations arising from it being financed by the ESFA and other funders, and as such material compliance with these obligations is required to ensure the Academy Trust will continue to receive its public funding and be authorised to operate, including around ensuring there is no material unauthorised use of funds and expenditure;
- how the Academy Trust ensured it met its obligations to its principal regulator, the Secretary of State for Education; and
- the matters discussed among the audit engagement team and involving relevant internal Academy specialists regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud, which included incorrect recognition of revenue, management override of controls using manual journal entries, procurement and payroll. We identified the greatest potential for fraud as incorrect recognition of revenue and management override using manual journal entries.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. We also obtained an understanding of the legal and regulatory frameworks that the Academy Trust operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Academies Accounts Direction, Academies Financial Handbook, UK Companies Act and tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the Academy Trust's ability to operate or to avoid a material penalty. These included safeguarding regulations, data protection regulations, occupational health and safety regulations, education and inspections legislation, building legislation and employment legislation.

Our procedures to respond to risks identified included the following:

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF  
ENDEAVOUR SCHOOLS TRUST LTD (CONTINUED)**

---

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- reviewing the financial statement disclosures and testing to supporting documentation to assess the recognition of revenue;
- enquiring of Trustees and management and those charged with governance concerning actual and potential litigation and claims;
- performing procedures to confirm material compliance with the requirements of its regulators;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance and reviewing internal control reports; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; and assessing whether the judgements made in making accounting estimates are indicative of a potential bias.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from an error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

**USE OF OUR REPORT**

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ENDEAVOUR SCHOOLS TRUST LTD AND THE EDUCATION & SKILLS FUNDING AGENCY**

---

In accordance with the terms of our engagement letter dated 16 October 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Endeavour Schools Trust Ltd during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Endeavour Schools Trust Ltd and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Endeavour Schools Trust Ltd and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Endeavour Schools Trust Ltd and ESFA, for our work, for this report, or for the conclusion we have formed.

**RESPECTIVE RESPONSIBILITIES OF ENDEAVOUR SCHOOLS TRUST LTD'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT**

The accounting officer is responsible, under the requirements of Endeavour Schools Trust Ltd's funding agreement with the Secretary of State for Education dated 1 April 2012 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

**APPROACH**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

Our work on regularity included a review of the internal controls policies and procedures that have been implemented and an assessment of their design and effectiveness to understand how the academy complied with the framework of authorities. We also reviewed the reports commissioned by the trustees to assess the internal controls throughout the year.

We performed detailed testing based on our assessment of the risk of material irregularity, impropriety and non-compliance. This work was integrated with our audit on the financial statements where appropriate and included analytical review and detailed substantive testing of transactions.

**CONCLUSION**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**1. ACCOUNTING POLICIES**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

**1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Endeavour Schools Trust Ltd meets the definition of a public benefit entity under FRS 102.

**1.2 GOING CONCERN**

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. ACCOUNTING POLICIES (continued)**

**1.3 INCOME**

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

- **Transfer on conversion**

Where assets and liabilities are received by the Academy Trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance Sheet at the point when the risks and rewards of ownership pass to the Academy Trust. An equal amount of income is recognised as a transfer on conversion within 'Income from Donations and Capital Grants' to the net assets received.

**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. ACCOUNTING POLICIES (continued)**

**1.4 EXPENDITURE**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

- **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

**1.5 INTEREST RECEIVABLE**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**1.6 TANGIBLE FIXED ASSETS**

Assets costing £2,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. ACCOUNTING POLICIES (continued)**

**1.6 TANGIBLE FIXED ASSETS (CONTINUED)**

Depreciation is provided on the following bases:

Long-term leasehold property	- 50 & 125 years straight line
Furniture and equipment	- 5 - 10 years straight line
Computer equipment	- 3 - 10 years straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

**1.7 STOCKS**

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

**1.8 DEBTORS**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.9 CASH AT BANK AND IN HAND**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.10 LIABILITIES**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**1.11 FINANCIAL INSTRUMENTS**

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 17. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. ACCOUNTING POLICIES (continued)**

**1.12 OPERATING LEASES**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

**1.13 PENSIONS**

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**1.14 FUND ACCOUNTING**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

**2. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

**12. TRUSTEES' REMUNERATION AND EXPENSES**

The Headteacher only receive remuneration in respect of services they provide undertaking the roles of Headteacher, and not in respect of their services as Trustees. Other Trustees did not receive any payments from the Academy in respect of their role as Trustees. The value of Trustees' remuneration including pension contributions in respect of defined benefit schemes in the period was as follows; N Wright: remuneration £70,000 - £75,000 (2021: £65,000 - £70,000), employer's pension contributions £15,000 - £20,000 (2021: £15,000 - £20,000).

During the year ended 31 August 2022, no Trustee expenses have been incurred (2021 - £NIL).

**13. TRUSTEES' AND OFFICERS' INSURANCE**

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

**19. STATEMENT OF FUNDS (CONTINUED)**

The specific purposes for which the funds are to be applied are as follows:

**Restricted:**

General Annual Grant (GAG) - income from the ESFA which is to be used for the normal running costs of the Academy, including education and support costs.

Dfe/ESFA grants - represents a number of grants awarded, including rates relief.

Higher Needs funding - funding received by the Local Authority to fund further support for students with additional needs.

Pupil Premium - income from the ESFA which is to be used to address the current inequalities by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

Universal Infant Free School Meals (UIFSM) - represents income for the provision of free school meals to pupils.

Educational trip income - represents contributions made by parents to cover the cost of educational school trips.

Other Grants - represents income which has been received for other specific purposes.

Pension Reserve - represents the Academy's share of the assets and liabilities in the Local Government Pension Scheme.

**Fixed assets funds:**

DfE/ESFA capital grants - this represents funding from the ESFA to cover the maintenance and purchase of the schools assets.

Inherited fixed assets - this represents the buildings and equipment donated to the academy trust from the local authority on conversion to an academy.

Fixed assets purchased from GAG - this represents capital assets that have been purchased out of restricted GAG funding.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2022.

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Worcestershire County Council Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £61,555 were payable to the schemes at 31 August 2022 (2021 - £62,664) and are included within creditors.

**TEACHERS' PENSION SCHEME**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**26. PENSION COMMITMENTS (CONTINUED)**

**VALUATION OF THE TEACHERS' PENSION SCHEME**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £397,008 (2021 - £493,656).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

**LOCAL GOVERNMENT PENSION SCHEME**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £269,000 (2021 - £276,000), of which employer's contributions totalled £222,000 (2021 - £227,000) and employees' contributions totalled £ 47,000 (2021 - £49,000). The agreed contribution rates for future years are 18.9 per cent for employers and 5.5 - 12.5 per cent for employees.

As described in note the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

**28. MEMBERS' LIABILITY**

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

**29. RELATED PARTY TRANSACTIONS**

Owing to the nature of the Academy Trust and the composition of the Board of Directors being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

No related party transactions took place in the year ended 31 August 2021 (2020: Nil), other than certain trustees remuneration already disclosed in note 12.
